DUBAI

“

**Billionaire's eclectic spirit  
invokes a sense of excitement  
and energy that simply cannot  
be found anywhere else.**

**Each night at Billionaire  
is as unexpected as it is  
unforgettable.**

# THE VENUE

The design takes inspiration from the project's birthplace in Porto Cervo, Costa Smeralda. Subtle nautical references are woven into the architectural detailing, effortlessly blending with elements taken from the theatrical world. The moment you step into Billionaire the journey begins. The entrance builds anticipation before your arrival into another world.

The interior is fully bespoke. Sumptuous fabrics and eye-catching textures such as velvet, ribbed timber & brass metal work envelop the guest in a warm and glamorous environment. The layering of finishes continues at the bar with jewel like tones, glossy lacquered surfaces, satin brass and polished brass, while woven fabrics contrast on the wall with embossed leather.

The bold lipstick red chairs sit against fresh white table clothes. Lamps on the tables provide an intimate and seductive glow. Rich marble floors and changing floor levels add to the dynamic energy and interest of the space. Mirror enhances the spectacle of the night, allowing for glimpses and reflections across the space and of the performing artists.

The circular motif symbolizes the warm Italian sun. This is represented in architectural features and details in light fittings and wall coverings.

All elements come together to create a mesmerizing & unforgettable experience.

A close-up, high-angle shot of a black leather-bound book. The book is closed, and its cover is made of a textured black leather. A gold-embossed title label is centered on the front cover. The label is rectangular with a thin gold border and contains the word "BILLIONAIRE" in a serif font. The book is resting on a light-colored, possibly wooden, surface. In the background, there are blurred objects, including what appears to be a white cup and some dark, indistinct shapes.

# THE CULINARY JOURNEY

Gastronomy reigns supreme at Billionaire with authentic, fresh & extraordinary food presented with an elegant & theatrical touch. A delectable culinary offering of two distinct cuisines curated by celebrity chef Batuhan Piatti Zeynioglu, using the finest ingredients, ensures a deliciously diverse selection of dishes & delivers the ultimate epicurean experience.

Featuring a phenomenal à la carte menu that fuses New-Asian modernity and Italian authenticity, the menu is as plentiful as it is resplendent, taking guests on a culinary journey of discovery with flavoursome surprises around every corner.

The experience begins with the likes of Wagyu beef carpaccio and phyllo pastry with wasabi mayo that offers a delightful marriage of textures and flavours and guacamole that is prepared right at the table. The steamed buns with spicy Galbi Wagyu beef are cloud-like in texture; light and fluffy, giving the tender meat its moment in the spotlight. Amongst the mains, the miso marinated Alaskan black cod is a delightful treat for the palate, with every bite of the succulent & slightly sweet cod melting in your mouth. Alternatively, the mouth-watering 4 season wagyu rib eye is tender and bursting with flavor.

The Italian menu features impressive risotto and a homemade pasta selection, such as spinach and ricotta ravioli in butter and sage sauce and maltagliati pasta with spiny lobster. The New-Asian menu boasts an array of the freshest sushi, sashimi and maki rolls, with the Billionaire sashimi & maki selection proving to be the ultimate showstopper. For that added touch of extravagance, the experience is elevated even further with the finest selection of caviar.
